Why get SIF certified

The story behind the new licence, the market, and where SIF fits in your book

In short: SIF assets grew 19 times in 11 months, and every sale needs a certified partner. Since July 2026 one exam, NISM Series V-D, covers both mutual funds and SIFs.

Meena, 42

Mutual fund distributor in Chennai · illustrative story

A long-time client of Meena's moved ₹25 lakh from FDs into a SIF last month, through a bank relationship manager. He told her afterwards: 'I asked the bank because I thought you could not sell it.' He was right.

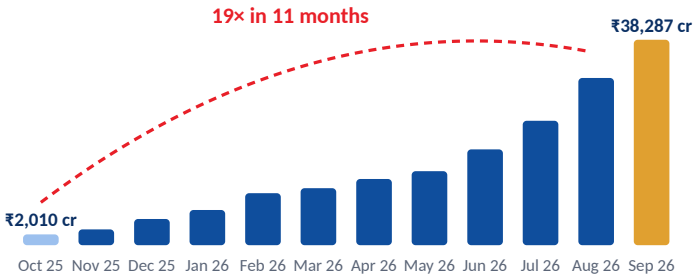

"I didn't lose him on advice. I lost him on a licence."
