Your first 60 days with SIF

Whom to call, what to say, and what to track, after you are certified

Data to 23 Oct 2026 · SIF Partner Note 4 · Page 1 of 1

In short: in 60 days: screen 20 clients, learn two strategies, hold three conversations a week, and aim for two first investments. Start with hybrid SIFs.

Ravi, 45

Mutual fund distributor in Indore · certified in August 2026 · illustrative story

Ravi passed NISM V-D and then did nothing for a month: he did not know whom to call first. When he finally sorted his book by 'money not needed for 2 years', 18 names stood out. He met 11 of them, and 3 invested within the 60 days.

"The exam was the easy part. Knowing whom to call was the real work."

The pitch in three lines

PARTNER
You have money between an FD and equity. There is now a product built for that middle.

PARTNER
In 12 months, ₹10 lakh in the middle hybrid SIF became ₹10,75,100; in an FD ₹10,61,000.

PARTNER
It is new and can fall in a month. So only use money you will not need for 2 years.

Your 60-day scorecard

20 clients screened

12+ conversations held

2+ first investments

Suggested targets for a partner with 150 to 250 clients.

Always
- Pitch suitability, not past returns
- Show the bad month and the good year
- Note why each client fits

Never
- Promise that it cannot fall
- Move money the client may need soon
- Sell without reading the documents
