Meridian Components Pvt Ltd

Manufacturing SME · CFO decides · illustrative story

Meridian Components makes auto parts. Its CFO keeps six months of working capital and parks the rest, ₹2 crore, in FDs and arbitrage funds. The board wants more from the surplus but no surprises in the audit.

"If I bring this to the board, I need it to be simple and defensible."

CLIENT
And the tax?

PARTNER
Taxed when redeemed, at the company's rates, not every year like FD interest. Confirm with your auditor.
